

# ICMAP 2018

The 7th International Conference on Microelectronics and Plasma Technology

July 24-28, 2018 / Songdo ConvensiA, Incheon, Korea

---

## **Dr. Yoshiharu Nakamura**

Keio University (retired), Japan

---

Born in 1943, graduated from Department of Electrical Engineering, Keio University. He worked for Keio University since 1969 until 2009 and retired as a professor, then moved to Tokyo Denki University as professor, retired in 2012. Research Fellow of University of Liverpool, U.K. from June 1975 to June 1977. His research interest has been electron swarm study which includes measurement of electron swarm parameters in gases and vapours and deducing electron collision cross sections for atoms and molecules which are consistent with his experimental swarm parameters.
