

# ICMAP 2018

The 7th International Conference on Microelectronics and Plasma Technology

July 24–28, 2018 / Songdo ConvensiA, Incheon, Korea

---

## **Dr. Tran Quang Trung**

*School of Advanced Materials Science and*

*Engineering, Sungkyunkwan University, Suwon 440-*

*746, Korea*

---

**Dr. T. Q. Trung** received his BS in physics in 2004, and MS in physical electronics in 2009 from University of Science, Vietnam National University – Ho Chi Minh City. He received his Ph.D degree in electronic materials engineering in 2013 from Sungkyunkwan University, Korea. He is currently a research professor at the School of Advanced Materials Science and Engineering in Sungkyunkwan University, Korea. His research interests include flexible-stretchable electronic devices and their application in wearable human activity monitoring and personal healthcare.
